

This month's module:

**From MDGs to SDGs – to SDGs Localization: Theories,  
Conceptualization and Communication**

**12**  
DEC 2024

**13:00 – 16:30 CET**

## Lecture by Jomo Sundaram

This lecture explores the transition from the Millennium Development Goals (MDGs) to the Sustainable Development Goals (SDGs), offering insights into their global impact and evolution. Building on this, it examines the process of SDG localization, with a particular focus on food security and nutrition, illustrating how global objectives are translated into local action.
